MISSION STATEMENT:

YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

GOALS:

It is the purpose of the YWCA Afterschool Program to provide a safe, educational, and fun environment which will allow all youth to develop their full potential.

➢ To create a wide variety of recreational, educational, and athletic activities for youth in grades K-6.
➢ To improve students’ social, emotional, and academic skills.
➢ To increase positive choices and behavior of youth.
➢ To create a sense of belonging to the community as a whole.

PROGRAM OPERATION:

➢ The Afterschool Program is a school-age childcare program licensed by the New York State Office of Child and Family Services.
➢ The program is open Monday-Friday 7:00am-8:30am and 3:30pm-6:30pm (following the school calendar)
➢ This program does NOT operate on half-days, snow days, holidays, summer, or any day school is not in session.
➢ The program offers a wide variety of activities that have been planned based on the interest and developmental stages of the students. Daily activities include: a healthy snack, homework time, and physical fitness activities.

REGISTRATION:

➢ A Registration Fee will be charged for each student enrolled.
➢ Parents must complete a Registration form, Blue Medical Card, contract and parent pick-up form.
➢ The school is not responsible for notifying the program if your child is absent, leaves school early or if you need to make a schedule change. This responsibility remains with the parent. The YWCA Childcare phone number is 326-4012; this number rings at the YWCA office and at the school.
SIGN IN/OUT PROCEDURES:

➤ The manner in which the student is released (picked up, walk, etc.) and the departure time is designated on the registration form.
➤ All students must sign in/be signed in and out of the program.
➤ Elementary students must be signed out by an authorized person. Your child will not be released to anyone not listed on this form.
➤ Once a student is signed out of the program, the YWCA staff is no longer responsible in any way for the student. Students must leave school property upon signing out unless they are staying with another school staff person.
➤ YWCA visitors and partners are also required to sign in and out each day. A visitor is considered to be anyone other than YWCA staff.

PICK-UP POLICY:

➤ For the protection of your child we must have a written authorization for the person or persons responsible for the discharge of your child daily.
➤ Please list the names and relationship to your child of all persons you authorize to pick up your child. Also, list the name and relationship of any individual whom you suspect may attempt to pick up your child and from whom you are specifically withholding authorization.
➤ No Elementary child can be released from the program unsupervised except upon written instruction from the parent. Such instruction must be acceptable to the YWCA and should take into consideration such factors as the child’s age and maturity, proximity to his/her home, the weather, or other factors.
➤ You must pick your child up by 6:30. If you pick your child up later than 6:30 more than twice you will then be charged $1.00 per minute you are late.

STAFF:

➤ Staff are hired in accordance with the New York State Office of Child and Family Services regulations and are trained in First Aid and CPR.
➤ The SACC Director is available during program hours and during the school day to meet with students, parents, and community members.

FACILITY USE/PROGRAM ENVIRONMENT:

➤ The After-school program is held on school grounds. The pick-up location for all students will be **upstairs in the home economic room**. You will need to enter the school building from the Ross st door. Walk up the step until you reach the door, where a staff member
will be waiting.

➤ Activities such as field trips will require special permission from a parent/guardian; however, we may participate in activities that are within walking distance as part of our regular programming. Parents will be kept informed when we will be off the school grounds. Please check your child’s bag regularly so that you can be kept informed.

➤ The YWCA is not responsible for any personal property, this includes personal toys. We do not allow students to trade or give away personal property. Students are asked not to bring toy weapons and we do not allow pretend weapon play of any kind. All valuables should be left at home.

➤ The school and the YWCA promote open communication and work together on a regular basis to meet the needs of the students.

HEALTH & MEDICAL TREATMENT:

➤ Two (2) Blue Medical Cards must be completed by the parent/guardian of any child enrolled in the program.

➤ A Health Check is completed daily by staff for each child enrolled in the program.

➤ In the event that a child becomes ill while under our care, the parent/guardian will be contacted and is responsible for picking the child up as soon as possible.

➤ Any child with a high temperature, vomiting, diarrhea, or a contagious illness will be sent home.

➤ An Ouch Report is filled out for any injury or illness requiring medical treatment to a student and an Incident Report is filled out for any unusual event.

➤ Please coordinate with the School Nurse any medications your child may need.

➤ It is recognized that occasionally there may be a child attending the program who has special health care needs that may require individual attention. When this situation arises the childcare staff, parents, and a healthcare consultant will work together to devise specific protocols and recommendations for the individual child.

➤ All student information is confidential. Sharing confidential information beyond family members, program personnel, school employees and consultants that have a need to know requires parent/guardian consent.

➤ YWCA staff are considered mandated reporters and have a legal obligation to report any suspected abuse/neglect to Child Protective Services.

HOMEWORK HELP/TUTORING:

➤ Homework help is offered Monday-Friday from YWCA staff. Additional time is available for those children who require it.

➤ The YWCA does not guarantee that homework will be completed during program hours.
We encourage parents to discuss homework obligations and remain involved with their child’s school work every day.

➢ The YWCA provides academic guidance and feels that the homework submitted to the teacher should be a reflection of your child’s grasp of the material so that the teacher knows when your child needs additional classroom support.

➢ All programming provided by the YWCA is designed to help your child academically, emotionally, physically and to promote healthy lifestyle choices in the future. Academic assistance is only one part of the program provided. Students should plan to attend full time to gain all of the benefits of the program and students will be encouraged to participate in other activities even if their homework is not completed during homework time so that they can benefit fully from the program.

➢ The YWCA stays in contact with teachers to help provide support for students who are attending the program and with parental permission regularly share information to benefit the students on an as needed basis.

PARENT EXPECTATIONS:

➢ To communicate regularly with teachers/YWCA staff and check backpacks daily for messages and additional homework/tests/projects, etc.....

➢ To keep your child home when he/she is sick where he/she can recover comfortably.

➢ To complete all necessary paperwork so that your child may begin program and that staff have all of the information needed to support your child.

➢ To make payments in a timely manner as agreed upon in the contract.

STAFF EXPECTATIONS:

➢ To provide emotional support, warmth, and assistance.

➢ To provide clear rules and safety/health measures.

➢ To be strong, positive adult role models.

➢ To provide a varied and enriched program format.

➢ To be a liaison for family and school communication.
STUDENT EXPECTATIONS:

➢ To respect and listen to others, treating others as you would like to be treated.
➢ To save very active play for the gym or outside.
➢ To use toys appropriately, not as weapons.
➢ To listen carefully to announcements and directions given by YWCA staff.
➢ To exhibit the same behavior expected during the school day.
➢ To use their words to solve problems. If you cannot solve a problem by yourself, ask an adult for help.

PROMOTING POSITIVE BEHAVIOR:

The behavior policy is based on the understanding that students are constantly making choices about whether they will positively or negatively contribute to a situation. We believe students can and will make good choices if they are given the opportunity and support. We also believe it is important to hold students accountable for the decisions they make. Our staff makes every effort to help children learn positive values, rules, and patterns of behavior. Positive guidance and reinforcement are stressed, promoting desirable behavior. Corporal punishment is not allowed.

➢ Ground rules will be made very clear to all staff and students.
➢ We encourage parents to communicate to the staff suggestions for working with your child that you feel are most effective; you know your child best!
➢ We encourage appropriate behavior and good decision making with incentives offered throughout the year. Typical incentives range from a “Well Done!” to a special outing or activity. Students are always involved in the process to ensure they feel invested in the program and the expectations.
➢ Students are set goals both as a group and on an individual basis as needed.
➢ While the YWCA places an emphasis on positive behavior there are times when students will receive a consequence for their actions that is appropriate to the situation for example, if a student has poor sportsmanship in gym they may be asked to sit out for 5 minutes to calm themselves down and will then discuss the situation with a staff person who will provide guidance and suggestions for how to make better choices in the future.
➤ Any student exhibiting violent behavior will have their parent called and a conference will be required before the child may return.
