

January 2021

Dear Participant in the YWCA Westfield Arts and Crafts Festival,

As 2021 arrives, I personally wanted to thank you for your support and understanding when we had to cancel the 2020 festival due to COVID. It was a difficult decision, but one made with everyone's safety in mind. We are looking forward to being able to hold the event this summer and will set up Moore Park to accommodate any New York State regulations that may be in place at the time of the event. Over the past 45+ years, the show has been an event that attracts visitors from surrounding towns as well as Chautauqua Institution/Lake residents and vacationers. The show directly benefits the YWCA Westfield and proceeds from booth space rental assists in community outreach and programming. As the Chairperson of the show, I am integrating feedback that was given at the last show and you should all see ongoing communication, information and follow-up regarding all aspects of the event.

The 2021 show will be held Friday July 30 and Saturday July 31. As a previous vendor or a new vendor that had registered for last year's show, you are getting the registration materials early so that you can take advantage of reduced pricing and the potential to pick your favorite spot in the park. Attached is the registration form and a rough map of Moore Park. As always, I will try to accommodate everyone's preference but we may need to space out and use the entire park this year. Several vendors from last year asked that we use their 2020 registration for the 2021 show. I have a list of those individuals, but please fill out and return the registration form so I have your most recent contact information. Also indicate your prepayment on the application form. As the date of the show approaches you will also be sent information on booth location and a schedule of events. The mornings of the show, we invite you for coffee and donuts in the gazebo with members of the YWCA Board of Directors.

There is a dedicated email address in order for you to send me any questions or concerns. Please use artsandcrafts@ywcawestfield.org for any communication. I will be checking for mail daily! Also, if you have any questions, you can call my cell phone 678-333-7661.

I hope you will choose to participate in this wonderful event! Please feel free to forward this to anyone you feel may also want to have a booth and experience some Westfield hospitality.

Sincerely,

Kathryn Bronstein, Chairperson, 2021 YWCA Westfield Arts and Crafts Festival

President, Board of Directors, YWCA Westfield
